Ruby, Computer Programming, Software Engineering, Discrete Structures, SftwrEngr
ApprchHumnCmptrIntrctn, Operating Systems and Networking, Computer Programming 1,
Computer Programming 2, Compiler Designs and Languages, AutoCAD, Excel

Mathematics: Precalc, Calculus 1, Calculus 2, Physics 1, Physics 2, Engineering Mathematics,
Cambridge General Mathematics, Engineering Statistics

WORK AND PROJECT EXPERIENCE

Audio/Visual, California Baptist University - Riverside, CA | Early 2023-present

Setting up, operating, and troubleshooting audio/visual equipment for events such as meetings, conferences, and presentations.

Maintaining and organizing audio/visual equipment inventory.

Built a high cognizance of Audio/Visual Technology while working in the department.

Providing technical support to faculty, staff, and students with relevant equipment usage.

Collaborating with event planners and coordinators to ensure that appropriate needs are met.

Assisting in the installation and setup of new audio/visual equipment.

Currently Employed 2023-Present

Event Staff, Koz Events - San Diego, CA | 2018-present

Assisted in setting up and breaking down events such as Triathlon and other long distance races with the participation of internationally professional athletes.

Maintaining a good relationship with employers for multiple years, demonstrating high employee reviews in communication.

Still participating in working for this company when I have the means to over weekends.
